

IGD

Events

Health and safety

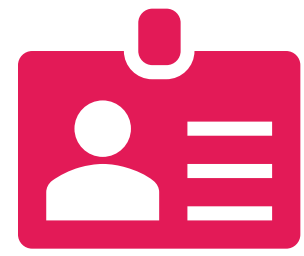

IGD is committed to providing safe and secure environments for our attendees in conjunction with the venues we choose.

In partnership with the venue, we will adhere to all local and national authority guidance, as well as any venue or location-specific regulations.

We will continue to monitor the evolving situation and guidelines.

This document details the measures we have in place to keep everyone's experience safe.

How will we do this: **Controlled** | **Safe** | **Clean**

Controlled

Attendee code of behaviour

IGD is asking individuals to take personal accountability for their health and those around them by adhering to safety measures in place and not attending the event if they have any COVID-19 related symptoms. IGD requests you undertake your own health risk assessment, consider if you should travel to and attend the event.

By purchasing a ticket you are agreeing to IGD's Terms and Conditions of Trading including term 9.11 You agree to observe at all times (1) any obligations which the venue may ask you to observe (including social distancing and hand sanitizing), (2) any government advice or recommendations in relation to Covid-19 or similar (including any relating to hygiene or social distancing).

Risk assessments

IGD will undertake a health and safety risk assessment. This includes but is not limited to, the consideration of international travel and audience demographics.

Communication

IGD will provide clear and helpful information before the event regarding guidelines in place

Clear and helpful information will be on site via the venue signage or staff.

Ensuring a safe and welcoming environment for our visitors

Face coverings

IGD will be following government and venue guidelines, we will send out specific details in advance of any event you are attending.

Physical & Social Distancing

Physical & Social Distancing will be managed in line with the latest government advice. The exchange of business data should be done electronically where possible.

Visitor Flow

Visitor flow will be enhanced to ensure the maximum interaction in the safest environment.

Focusing on hygiene and increased cleaning across the venue

Enhanced venue sanitisation

All communal areas will be cleaned frequently and the venue will maintain cleaning of high contact surfaces throughout the event along with deep cleans in all public areas.

Focus on hygiene

Good hygiene is one of the most effective ways to protect from infection. Clear reminders will be shown to visitors on washing hands frequently and using the sanitiser stations that are available across the venue during the event.
